## How to Register!

### School Bus Driver Training

School Bus Driver Training is a state mandated program to train bus drivers. The purpose of this training is to reduce the injury/death of school-age students while being transported to and from school, and on school sponsored trips.

Region VI provides the **20** hour Certification training as outlined in the Course Guide for School Bus Driver Training in Texas that all school bus drivers are required to take and the **8** hour Recertification training required by all drivers every three years.

REMINDER: Have your drivers carry their Certification/Recertification/Enrollment Training Card at all times when operating a School Bus.
